

Band Lettering 2019-2020

Lettering is an honor. By lettering in band at Pomona High School, you are saying that you are committed to the program, the school and the community. If you are doing everything on this list because it is required to letter, you are doing it for the wrong reasons. You should be doing these items because you want to better the program by being a leader. By doing this, you are showing me and the rest of the school community that you are one of the top band students at this school and you are dedicated to the program.

In addition to completing this form, and turning it in **no later than** April 12th, you must be an exceptional academic student. Your grades and attendance will affect your eligibility for lettering. If you are excessively absent or tardy from ANY academic class, or have an excessive amount of missing work, you will not be eligible to letter in band.

You will need 150 points in order to receive a letter. You can earn points by:

10 points for each ADDITIONAL instrumental music class you are enrolled in, must receive a B or higher (must be enrolled in more than one to receive these points)

10 points for auditioning for All State, Jeffco All County or any honor group

20 points for participating in All State, Jeffco All County, West Metro, or any honor group

15 points for participating in solo and ensemble and receiving a 1 or a 2 rating

15 points for participating in extracurricular ensembles (musical pit, marching band, winter percussion/guard, full orchestra)

10 points for each professional production attendance (must bring ticket or program!)

5 points for each non-required Pomona event you attend to support your peers (additional football games, theater performances, choir shows, art shows, must have proof that you attended)

5 points for attending middle school or elementary concerts in the Pomona Area (must have program)

10 points for participating in any outside volunteer opportunity (soup kitchen, animal shelter, trash pick up) again must have proof

10 points for private lessons (must be year long)

5 points for each additional basketball game you play at
